

Posttribulationism

Pastor Kelly Sensenig

Classic posttribulationism = allegorizes Tribulation Period as the trials and tribulations during the Church's existence on earth throughout the centuries (no future Tribulation) which is followed by the Second Coming and Millennium

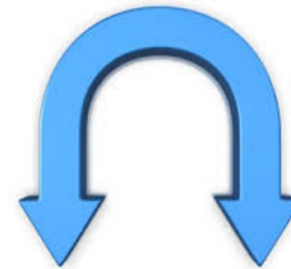

Semi-classic posttribulationism = Tribulation is a contemporary and continuous event (mostly allegorical), but some future events are yet to be fulfilled as mentioned in Revelation, which are followed by Second Coming and Millennium.

← **TRIBULATION** →

Futuristic posttribulationism = (Eldon Ladd) Tribulation is literal and futuristic, but Church passes through the seven years. Mixes the Church with Israel. Most events have a literal fulfillment while others demand a semi-symbolic fulfillment (Historic Premillennialists)

Dispensational posttribulationism = (Robert Gundry) Tribulation is literal and futuristic. The Church is distinct from Israel but still passes through the seven-year Tribulation Period which is followed by the Second Coming and Millennium

Rapture/Second Coming

Rapture & Second Coming are facets of a single and simultaneous event.

Many **modern posttribblers** are a mixture of amillennialists (who reject a literal Millennium) and postmillennialists (who bring in the kingdom through Christianizing the world = Dominion Theology).
