

# The Searching Prophets ( I Peter 1:10 - 11 )

"Of which salvation the prophets have inquired and searched diligently, who prophesied of the grace that should come unto you: Searching what, or what manner of time the spirit of Christ which was in them did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow."

The Old Testament prophets saw two mountain peaks with a huge valley in between. They were searching for the time of their glorification or final salvation and resurrection in connection with the arrival of the kingdom  
(Daniel 12:2-3; Isaiah 26:19).

The Old Testament prophets did not know the order of God's program concerning the Messiah and the timing of Messiah's suffering and Kingdom reign. It caused them to search for the correct order of events so they could pinpoint the timing of their glorification or resurrection.
